

Oregon Basset Hound Rescue, Inc.
Adoption Application Form

A successful adoption depends on matching the selection of the right Basset for your household and our understanding of the dog's individual needs. So that we may assist both parties with this selection process, please answer the following questions as completely as possible. The bold areas must be completed, if you are unsure on answering other areas, please leave a blank. The more completely you answer, the better we can match up dogs with homes.
